

## PRODUCT DATA SHEET

Ed.1 Rev.5

date: 31 july 2018

**PE 17030/AT white masterbatch**

LOADING %	70 ± 2
PIGMENT	TITANIUM DIOXIDE
FOOD APPROVAL	Yes, FDA 21 CFR 178.3297 , 10/2011 EC
CARRIER	LDPE
FIELD OF USE	Extrusion , Film,Fibre, HDPE LDPE pipes , blowing and injection of polyolefins
COLOR INDEX	P. White 6
HEAT SOLIDITY	5
LIGHT SOLIDITY	8
MIGRATION SOLIDITY	5
FILLER	Absence
PACKAGING	25 kg bags on pallet, on request big bags or octabyn

The technical details given are the results of our research and experience and therefore they must be considered as fully reliable, however we cannot in any way offer warranties on these results which may derive from their application.

We suggest each evaluated customer to determine the suitability for its particular use through appropriate testing and analysis.

Since the conditions of use are beyond our control, the user must assume all risks and verify that its finished products are safe, lawful and technically suitable in its intended applications. Our technical assistance department is at customer's disposal at any time for further information.
